Dear Sir:

Paragraph 3 of the Examiner's comments in the Notice of Allowance indicated that the applicant had not filed the certified copies of the Japanese Patent application which is required by 35 U.S.C. §119(b).

Applicant wishes to bring to the attention of the U.S. Patent Office that pursuant to the protocol between the United States Patent Office as a PCT National Phase Office and the Japanese Patent Office which processed the Japanese PCT application, such Japanese priority documents are electronically transmitted directly between the respective Patent Offices unless the applicant is advised otherwise.

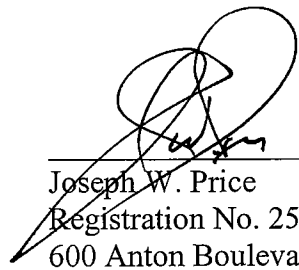

In this case, the applicant was advised by the Notice of Acceptance of the Application under 35 U.S.C. §371 that the U.S. Patent Office did receive the priority documents. A copy of this Notice is attached hereto.

Accordingly, it is believed that applicant has already complied with 35 U.S.C. §119(b) and requests a confirmation that this has occurred.

If there are any questions with regard to this matter, the undersigned attorney can be contacted at the listed phone number.

Very truly yours,

SNELL & WILMER L.L.P.
